PD2 Series Product Discontinuation Notice

Dear Customers,

We hereby inform you that the PD2 series will be discontinued due to the discontinuation of the AC/DC converter.

Purchase orders will be accepted on a first-come, first-serve basis.

As the inventory of the discontinued key component is limited, we may be unable to accept orders when total demand exceeds the available quantity.

We may close transactions even before the final order date once the inventory has been exhausted.

Thank you.
