Continuation of PD2 Series Sales

1. Overview:

We wish to update our valued customers regarding the PD2 Series. Contrary to our prior communication dated 26 Dec, 2022, where we informed about the discontinuation of the PD2 Series, we are pleased to announce that we will continue the sales of PD2 Series.

2. Explanation:

1) Situation Update:

We have successfully secured the previously hard-to-obtain components. As a result, the PD2 Series will continue to be available for purchase.

2) Models Available for Purchase
